

Bag of words: text to feature vectors

vocabulary: 10 unique words = 10 dimensions

three short summaries

A: *hi how are you*
B: *my name is riya*
C: *this is 2023*

	hi	how	are	you	my	name	is	riya	this	2023
A	1	1	1	1	0	0	0	0	0	0
B	0	0	0	0	1	1	1	1	0	0
C	0	0	0	0	0	0	1	0	1	1

each row is a 10-dimensional feature vector: how often each word appears
